I'm sure you probably have this covered, but as a precaution we routinely ask the involved division(s) the following:

- Has Cathy Stepp been briefed on this action and do you know and understand her position?
- Are you planning on briefing Cathy before this meeting?
- Do you know if Cathy is planning to attend?
- If Cathy will not be attending has someone been delegated by her to put forward the R5 position?

Please let me know.

Thanks,
